To: Simmons, Prof. Elizabeth A. <simmonse3@sacredheart.edu>

Hi, Liz.

As you know, students are invited to complete an exit survey prior to graduation. I would like to share a compliment that was made pertinent to your teaching. It stood out to me because it speaks to the relevance and functional impact of your teaching:

"I found it easy to apply what I learned from Dr. X and Dr. Simmons courses particularly. I also remembered much of that content while taking the PRAXIS."

Nice work!

Ciara
